About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About University of Jammu

The University of Jammu informally known as Jammu University was established in the year 1969. The University came into existence in 1969 through an act of the state legislature called the Kashmir and Jammu Universities Act 1969 following the bifurcation of the erstwhile University of Jammu and Kashmir. It is in Jammu, nestled at the auspicious Trikuta Hills' foothills alongside the Tawi River. The University of Jammu strives to achieve world-class excellence in teaching, research, and knowledge transfer and make valuable contributions to the socioeconomic development of the region and country. The University provides instructions in such branches of learning as it deems fit and makes provision for research and advancement. It offers quality education, promotes holistic student development through sports and extracurricular activities, and fosters decision-making and democratic values. It provides cutting-edge facilities for academic and research growth, particularly in applied and technological fields, and also emphasizes the preservation and integration of cultural diversity. The University of Jammu is primarily a research, teaching, affiliating, and examining body involved in promotion of arts, science and other branches of learning. The University is open to all classes and creeds with the sole objective to carry people from darkness to light. The Department of Library and Information Science is offering B.Lib.Sc., M.Lib.Sc., and Ph.D. programs. The department is equipped with a library, lecture halls, smart classrooms, faculty rooms, and an IT laboratory featuring 20 computers with the latest configurations.
